 - 2) The progeny was conceived in or after the 2018/19 season
 - 3) Studs pay the Registration of Sire fee to HRNSW

Pacing Stallions who conform to the above conditions are eligible to apply for the NSW Stallion Incentive Scheme and their progeny out of mares that were:

- a) served in NSW, and then;
 - b) born in NSW and registered in NSW
- will be eligible for the True Blue Bonus.
- b) A mare inseminated in NSW during a year's breeding season with the semen of a stallion registered and standing outside of NSW at the time of insemination, provided that the foal is born in NSW and provided that the foal is either registered in NSW or nominated for the NSW Breeding Schemes.

 - d) A foal born in NSW and notified to HRNSW who is out of a mare that was inseminated in another Australian state or territory where the foal is not eligible for another Australian Breeding Scheme.

For the purposes of the NSW Breeding Schemes Terms and Conditions, progeny that meet any of the above criteria are considered to be at least 50% NSW bred.

In order to increase the number of broodmares and racing stock in NSW the following horses are also eligible:

- e) A weanling of a mare inseminated outside of Australia, where both the mare and weanling have been imported to NSW, provided that it is not eligible for any other Australian State Breeding Scheme. Such nominations must be made by 31 August in the season of birth.
