

2022/23 NSW STALLION NOMINATION FORM

Nominated stallions will be eligible for NSW Breeders Challenge Owners Bonus Scheme certificate redemption against their service fees in the 2022/23 breeding season.

Stallion nominators are eligible for 5% of Race Series prizemoney won by the progeny of their nominated sire in NSW Breeders Challenge Series 19 (foals born 2023/24).

I understand that for Stallions not Registered by HRNSW and not physically standing in NSW (excluding Northern Hemisphere domiciled Stallions whose semen is stored in NSW and distributed from NSW) that a stallion fee of \$110 per foal will be payable by the stallion nominator to HRNSW for any NSW Breeders Challenge eligible foals born in 2023/24 that are either registered in NSW, or registered elsewhere but nominated for the NSW Breeding Schemes. These fees will be invoiced prior to 1st September, 2024.
